Dear Colleagues

### **An Introduction to the Lancashire PE Passport App**

I am writing to introduce you to the Lancashire PE Passport App. There are over 350 primary schools using the App to support teaching and learning in PE throughout Lancashire and beyond.

The App is an excellent use of your Sports Premium Funding and any underspend you may have from this academic year. The App supports all five key indicators:

1. Engagement of all pupils in regular physical activity;
2. The profile of PE and School Sport is raised across the school as a tool for whole school improvement;
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. Broader experiences of a range of sports and activities offered to all pupils; and
5. Increased participation in competitive sport.

The App also supports the new Ofsted framework in achieving Quality of Education through Intent, Implementation and Impact, Behaviour and Attitudes, Personal Development and Leadership and Management.

The Lancashire APP is a portable PE planning, assessment and tracking tool designed to enable all Lancashire Primary School teachers to deliver enjoyable, active and high-quality sessions through the Lancashire PE Scheme of work.

Within the PE App, schools have access to the Early Years Scheme of Work 2020 and the updated 2020 Key Stages 1 and 2 schemes of work. Each lesson contains clear, progressive learning objectives; differentiated activities and other resources including videos to support the delivery of PE.

Teachers can quickly assess and monitor the progress of each individual pupil easily within the curriculum whilst subject leaders can track children's progress.

Measuring Impact – the App will allow all staff to store videos and photographs to evidence the impact of teaching and learning. This makes the App the perfect tool for monitoring and an invaluable tool for moderation and CPD.

Tracking - Simple assessment of the child's assessment against the Lancashire core tasks including skill development, application of skills and character development. The App will build a profile of the individual's attainment and progress, as well as capture progress across year groups and the whole school.

Videos and diagrams - Short, simple video clips and diagrams (supporting lesson delivery with primary age children performing) have been added to the App and these will continue to be developed and added for specific skills and examples of core tasks.

Further information relating to the Lancashire PE Passport App can be found by clicking [here](#).

The App and Scheme of Work can be at one of two levels.

**Level 2 – Lancashire PE Curriculum App includes:**

1. 2020 Lancashire updated Early Years, KS1 and KS2 PE scheme of work on the App.
2. Video assessment and individual portfolio to track pupil progress via the App.

**Level 3 – Lancashire PE Curriculum Full App includes:**

1. 2020 Lancashire updated EY, KS1 and KS2 PE scheme of work on the App.
2. Video assessment and individual portfolio to track pupil progress via the App.
3. Full access to the App, which includes monitoring competitions, events, swimming and extra-curricular clubs.

The different costs within Level 2 and Level 3 are dependent upon the size of school. This is because of the data storage needed for video assessment in larger schools due to the increased number of children.

**How to purchase the App:**

Book a place on our Lancashire Physical Education Scheme of Work 2020 - Electronic version through an Ipad App Course by clicking [here](#).

This will give you access to the App, training and iCloud storage for 1 year at Level 2.

If you would like to upgrade to Level 3 of the PE App or would like to purchase an additional three year's access to the PE App (academic years 2022/2023, 2023/2024 and 2024/2025) please email [LLEmonitoring@lancashire.gov.uk](mailto:LLEmonitoring@lancashire.gov.uk) giving your full school name, address including postcode and Lancashire establishment number by the 7<sup>th</sup> July 2021 at the latest so that billing can be undertaken by the 31<sup>st</sup> July 2021.

We would strongly advise purchasing a package for a three-year period whilst Sports Premium funding is still in place.

Lancashire PE App 2021/2022 New Schools	Price of course (Includes App for 1 year)	Total Price for course, 1 year storage + 3 years renewal
Level 2		
1 form entry	£484	£1339
2 form entry	£584	£1739
3 form entry	£684	£2139
Level 3		
1 form entry	£683	£2135
2 form entry	£783	£2535
3 form entry	£883	£2935

The Lancashire PE Application requires access to iOS 9.3 or later operating systems compatible with an Apple iPad.

I hope that this is of some interest to you.

With best wishes and thanks
