

Frequent User Membership Scheme 2023/2024

The LTA Frequent User Membership (FUM) Scheme is designed to give schools discounts on our recruitment services. By paying an annual subscription, schools can make savings on short-term teacher and support staff bookings as well as make savings on contract introductions.

Temporary bookings

On payment of the annual subscription fee, FUM schools save £7 per day on our standard daily charge rates.

In very simple terms, if you use 100 supply days, you would save £700 on our standard daily charge rates if your school is a Frequent User Member.

Contract fees

A Frequent User Member school that moves an LTA candidate onto contract within the first term of a long term placement, benefits from at least a 50% reduction on our standard contract fees.

All schools, whether frequent or standard user, can move any candidate who is working in a long term booking onto a contract free of charge after 65 days on continuous supply (equivalent of one term).

For full details on our FUM scheme, please contact your local recruitment consultant.
