Lancashire Professional Development Service have been providing high-quality, professional learning and development for over twenty-five years. The team offer a comprehensive range of courses, conferences and conferences which cover the full range of curriculum, teaching and leadership needs.

Our established and highly regarded team of Teaching and Learning Consultants design bespoke professional learning opportunities and consultancy packages for schools, multi-academy trusts, clusters and other settings. LPDS support is readily available across Lancashire, Greater Manchester and further afield.

The Lancashire Grid for Learning (LancsNGFL) website has recently been integrated here, providing you with a simplified and user-friendly way of accessing both CPD and subscription courses. Throughout the site you will find a wealth of information including guidance, resources, best practice, links to training opportunities, and publications to use in school.
