- Local Area Agreement (LAA)
- Children's Trusts
- Children and Young People's Plan (CYPP)
- Joint Strategic Needs Assessment (JSNA)

April 2010

Children's Trusts

Everyone involved in improving outcomes for local children, young people and their families – working together.

The Children's Trust task?

- To be strong enough and well enough co-ordinated to deliver significant change in this highly distributed system through:
 - More integrated planning.
 - Clearer more effective decision-making structures.
 - Stronger commitment to joint performance and resource management.
 - More effective engagement with stakeholders including schools and primary health.
