Important Information - Please Read Carefully:

- 1 The Care Quality Commission (CQC) is responsible for the registration and inspection of adult social care services in England. The address and provider type on this list are based on information obtained from the CQC. Whilst every effort has been made, Lancashire County Council cannot guarantee that this information is fully up to date. You should also be aware that the CQC publishes an inspection report and quality rating on a scale of 'Excellent', 'Good', 'Adequate' or 'Poor' for each provider. Lancashire County Council strongly recommends that people choose providers that are rated by the CQC as either 'Excellent' or 'Good'. Up to date ratings, inspection reports and information on registration can be obtained from the CQC:

Website: www.cqc.org.uk

Email: enquiries@cqc.org.uk

Telephone: 03000 616161

Post: Care Quality Commission National Correspondence, Citygate, Gallowgate, Newcastle upon Tyne, NE1 4PA

- 2 If a Service Provider has 'Yes' under the following column headings this indicates:

'Contract' The Service Provider has accepted Lancashire County Council's normal contract terms and conditions. Services funded directly by the Council can only be commissioned with these Service Providers.

'PP' In terms of non-residential care this applies to domiciliary care services only and is where the Service Provider has successfully demonstrated compliance to a high standard of care provision and is monitored in respect of this. They are included on the Council's Preferred Provider List.

If the PP status is marked as No but the contract is Yes then this provider may still be selected however in doing so you must be aware that they may not have demonstrated the same standards as those on the Preferred Provider List.

- 3 Lancashire County Council can only consider assistance with funding following a Social Care Assessment with an outcome that there is a need for non-residential care services.

SERVICE PROVIDERS MARKED WITH AN ASTERISK (*)

If you are considering choosing a provider marked with an asterisk (*), please contact Lancashire County Council's Social Care Procurement Team on 01772 532447 for further information. This could mean that there is other information available about the provider which you may need to consider, or that the provider has been rated by the CQC as 'Adequate' or 'Poor'.

NEED MORE INFORMATION?

If you need more information or have any questions about any of the information above, please contact your social worker if you have one, or the Lancashire County Council's Customer Service Centre on 0845 053 0000.
