10 JUNE 2011

Pentecost – this Sunday the Universal Church will be celebrating one of the most powerful and significant feasts in the Christian calendar – the Descent of the Holy Spirit upon the apostles in the Upper Room. Pentecost takes place 50 days after the Resurrection of Christ. Pentecost is also the birthday of the Christian Church and the start of the Mission here on earth. Pentecost is a very happy, love drenched festival, ministers wear red as a sign of the symbol of the flames which came to the earth.

'EAST LANCASHIRE GOES GLOBAL'

This unique event focuses on the UN Millennium Development Goals (MDGs) and will be held at **Burnley & Pendle Faith Centre** from Monday 20th June – Friday 1st July 2011 inclusive. Each day 30 students from local high schools will participate in an exciting interactive learning experience to explore the world's response to the MDGs which will culminate in a mock **UN SUMMIT**. Each day students will be linking with the **Deputy Director of the United Nations** in Brussels and other worldwide partners via video conferencing. The UN Secretary General will be present for the two weeks. Ten countries will be represented, three students at each table. Just like the UN in New York, we will shortly be erecting each country's flags. The Spiritual Space is going to look wonderful. Students will also have access to electronic voting, a la their counterparts in the States.

An exhibition on the MDGs will also be open to the wider community on **Thursday 23rd, Friday 24th, Monday 27th – Thursday 30th June between 1600hrs and 1830hrs.**

We will also be holding a special **Celebration Evening** on **Tuesday 28th June at 1830hrs**, to which everyone is welcome. More details on this event next week. Please check out our **POSTER** – See attached, and also, for more information view our [website](#) at your leisure.
